Preparation and Safety

Brett's Ride's goal is for all participants to have a fun, safe and
enjoyable day. All participants should follow some basic
guidelines and prepare adequately to assist in achieving this goal.

Parents and Guardians,

*Please make sure the younger participants are aware of these
guidelines and understand how they can help make Brett's Ride
a day they will really enjoy.*

- Bicycle mechanical and safety check (at least 3 days
before the event):
 - Check tires for adequate tread and inflate to
recommended pressure.
 - Test ride the bicycle for proper fit, seat height,
check brakes, shifting and handling.
 - Tighten any loose nuts and bolts.
 - Make sure chain is lubed and in good working order.
- Make sure your helmet is in good shape and fits properly.
- Dress according to the weather conditions; overdressing
can cause overheating.
- Make use of the support vehicles and ride marshals for
assistance.
- Always obey traffic laws.
- **Follow the Basic safety Rules on the Road:**
 - **Stay on the right hand side of the road at all times.**
 - **Do NOT cross the center line or ride on sidewalks.**
 - **Hold a straight line, with no sudden changes in
speed or direction.**
 - **Pass other riders on the left and only when safe to
do so.**
 - **Be aware of riders all around you and maintain
a safe distance between you and others.**
 - **Ride under control at all times.**
- STOP to enjoy the rest stops along the routes.
- Please keep our city clean – don't discard trash
during the ride.
